

Agenda

Workshop Strengthening Teaching Competencies in Higher Education in Mathematical and Computer Sciences

Presenters: ANDREJA TEPAVČEVIĆ, ZORANA LUŽANIN, DRAGAN MAŠULOVIĆ, GORAN RADOJEV, Department of Mathematics and Informatics, Faculty of Sciences, University of Novi Sad

Dates of training: 21-25 February-2022

21. February 10:00 The participants will receive the learning material prepared by the teachers by email at 10:00.

10:00-18:00 Individual work of the participants, studying of the material

22. February 9:00-11:00 Andreja Tepavčević **Monitoring knowledge and student assessment**

13:00-15:00 Goran Radojev **Visualization of problems using GeoGebra software**

16:15-17:00 Dragan Mašulović **Where did the thirst for knowledge go?**

18:00-20:30 Zorana Lužanin **About textbooks and teaching materials**

23. February 9:30-11:30 Goran Radojev **Visualization of problems using Wolfram Mathematica software**

14:00-16:00 Andreja Tepavčević **Monitoring knowledge and student assessment**

16:15-17:00 Dragan Mašulović **Where did the thirst for knowledge go?**

17:00-20:00 Zorana Lužanin **About textbooks and teaching materials**

24. February 10:00-12:00 Dragan Mašulović and Andreja Tepavčević (chairpersons)

The workshop and the discussion on students' motivation and students' knowledge verification

25. February 10:00-12:00 Zorana Lužanin

Workshop on preparing teaching material (face-to-face).
